#### **FOREWORD**

Welcome to the revised format of the Ballylinch brochure for 2024. We hope that the tech savvy amongst you will enjoy using the QR codes for the stallions to get up to date information on each one.

The Ballylinch sires had another stellar year in 2023.

Our flagship stallion **Lope de Vega** confirmed that he is one of the world's leading sires with only Frankel and Dubawi ahead of him by worldwide stakes horses and prize money. His top class 2-year-olds Iberian and Beauvatier look certain to give him an even better year in 2024.

New Bay also had a great season on the track and in the sales ring with three Group 1 2-year-olds sired off his lowest stud fee. He is performing at a level that only an elite stallion can, and with his yearlings making up to €1.65 million, the market has already recognised this. Given the quality books he has covered in the last few seasons, allied to his proven ability to upgrade his mares, should see him become one of Europe's best stallions in a very short time.

The improved books of mares that **Make Believe** covered in the wake of his outstanding son Mishriff's Classic success are now being reflected in his young stock. He has two excellent Classic prospects in Andre Fabre's Sajir and Paddy Twomey's Porters Place, backed up by his biggest and best-bred crop of yearlings, which means we can expect a massive season from him next year. He gives breeders a great chance to breed a top horse at a competitive fee.

New Bay's top class miler **Bayside Boy** has been given a great chance to succeed at stud with a high-quality book of mares and the support of leading breeders. A visit to inspect him will not leave you disappointed. With his precocious talent and outstanding physique he looks certain to make a big impression as a stallion.

**Waldgeist's** first crop of 2-year-olds are impressing many of Europe's best trainers. Just like the first crop of his own outstanding sire Galileo, Waldgeist's progeny look sure to make significant progress from two to three. His yearlings sold exceptionally well again this year showing both trainers and agents like what they see. Expect plenty of action from him next season.

Finally, I thank all our clients for their continued support. Our talented and committed team are here to help you in any way that we can, and I wish all of you every success in your bloodstock endeavours over the next twelve months.

IOHN O'CONNOR

John O Connor.
